

**Dr Ivan Ramos-Galvez**  
**LMS FRCA FFPMRCA**  
**Consultant in Pain Medicine**

Dr Ivan Ramos-Galvez is a Consultant in Pain Medicine at the Royal Berkshire Hospital and has been writing medicolegal reports since 2017. He provides reports for both medical negligence and personal injury claims.

His particular areas of expertise include:

- Neuropathic pain
- Spinal pain
- Chronic and chronic widespread pain
- Chronic pain syndromes
- Complex Regional Pain Syndrome
- Fibromyalgia
- Multi-disciplinary pain management
- Phantom limb pain
- Post Mastectomy Pain Syndrome

Medicolegal Partners have an experienced team skilled in all aspects of the administration involved in instructions to our various expert medical witnesses. This leaves experts free to utilise their precious time to focus on giving you and your client their medical and medico legal expert advice and support. You, or an agency working with you, can pick up the phone and speak to us any time.

“ We have been instructing Dr Ramos-Galvez for several years now as a medicolegal expert for our clients. His reports are very thorough and concise. The reports Dr Ramos-Galvez has prepared for us have often led to a very good outcome for our clients when their claims are settled. ”
