

Dr Martin Stotz

MD

Consultant in Intensive Care and Anaesthesia

Dr Stotz is a Consultant in Intensive Care and Anaesthesia at St Mary's Hospital in London, where he leads a multi-disciplinary team. He can provide expert opinion on a range of cases relating to most aspects of anaesthesia, the care and management of patients pre, during and post operatively, and the clinical management of critically ill patients.

His particular areas of expertise include:

- Anaesthesia
- Airway management
- Care and management of patients pre-, during and post-operatively
- Sepsis
- Adult Intensive Care Medicine
- Heart Failure
- Enhanced Postoperative Care
- Deteriorating adult patient
- Trauma
- Upper GI Surgery

Medicolegal Partners have an experienced team skilled in all aspects of the administration involved in instructions to our various expert medical witnesses. This leaves experts free to utilise their precious time to focus on giving you and your client their medical and medico legal expert advice and support. You, or an agency working with you, can pick up the phone and speak to us any time.

+ Experienced expert witness

+ Average annual instructions: 40

- Claimant: 90%
- Defendant: 10%
- Personal injury: 10%
- Clinical Negligence: 90%

“ It is a pleasure to work with Medicolegal Partners. Their reports are thorough, and they turn around reports in good time. They respond promptly to queries, and understand the litigation process. ”

JB, Capsticks LLP

Dr Martin Stotz

Nationality: German

Date of Birth: 6 March 1967

Professional Title: **Consultant in Intensive Care & Anaesthesia**

St Mary's Hospital,

Praed Street

London, W2 1NY

GMC Number: 6095056

SUMMARY OF EDUCATION

University of Basel, Switzerland, School of Medicine 1991-1993

University of Heidelberg, Germany, School of Medicine 1990-1991

University of Basel, Switzerland, School of Medicine 1987-1990

Humanistisches Gymnasium, Basel, Switzerland; Maturität Type A (Latin and Greek) 1979-1987

Postgraduate Qualifications:

- Board certification in Anaesthesiology June 2000 (FRCA equivalent) and Swiss Federal Diploma September 2003
- Board certification in Intensive Care and Swiss Federal Diploma September 2003 (FICM equivalent)
- Swiss Federal certification in Prehospital Medicine including Helicopter Emergency Medical Service (HEMS) and Ambulance Services 2002
- Full registration with the GMC since 2006 and on the specialist register for Anaesthesia since 2006

PROFESSIONAL MEMBERSHIPS

Medical Protection Society (MPS) since 2006, No. 398884

European Society of Intensive Care Medicine (ESICM) since 2001

General Medical Council, full registration (specialist registration in Anaesthesia)

CONTACT DETAILS

Medicolegal Partners Limited

PROFESSIONAL EXPERIENCE

- Consultant in Anaesthesia & Intensive Care** *(Aug 2007 – present)*
Substantive Consultant, Imperial Healthcare NHS Trust, based at St Mary's Hospital, London
- Locum Consultant in Anaesthesia & Intensive Care** *(Oct 2006 – Aug 2007)*
St Mary's Hospital, Paddington, London
- Consultant in Anaesthesia & Intensive Care** *(Oct 2005 – Oct 2006)*
University Hospital, Basel, Switzerland
- Specialist Registrar (SpR) in Intensive Care** *(Sep 1996 – July 2005)*
Appointments included:
- SpR / Clinical Fellow in Intensive Care *(May 2004 – July 2005)*
University College London Hospital, London
- SpR and Junior Consultant in Intensive Care *(Jan 2003 – May 2004)*
University Hospital, Geneva, Switzerland
- SpR in Anaesthesia *(June 2001 – Dec 2002)*
University Hospital, Basel, Switzerland
- Senior House Officer in Intensive Care *(May 2000 – May 2001)*
University Hospital, Basel, Switzerland
- SpR in Anaesthesia *(Mar 1999 – Apr 2000)*
University Hospital, Basel, Switzerland
- Senior House Officer in Intensive Care *(July 1999 – Dec 1999)*
Federal Hospital, Lucerne, Switzerland
- Senior House Officer in Anaesthesia *(Sep 1996 – June 1999)*
Federal Hospital, Lucerne, Switzerland
- House Officer in General Surgery** *(Jun 1995 – June 1996)*
Federal Hospital, Olten/Switzerland
- House Officer in Anaesthesia** *(May 1994 – Apr 1995)*
Federal Hospital, Bruderholz/Switzerland

TEACHING AND INSTRUCTION ACTIVITIES

- Instructor of Basic Lifecare Support for laypersons, Federal Hospital, Bruderholz, Switzerland, 1994 to 1995.
- Instructor of practical skills for anaesthetic nurses, Federal Hospital Lucerne, Lucerne, Switzerland, 1996 to 1999.
- Instructor of practical skills for anaesthetic nurses, University Hospital Basel, Basel, Switzerland, 1999 to 2002.

Instructor of Basic Lifecare Support for Newborns and Infants at the Advanced Cardiac Support course for Doctors, University Hospital Basel, Basel, Switzerland, 2001 to 2003.

GRANTS

Yearly Award for Young ICU Investigators 2004, European Society of Intensive Care Medicine (ESICM): 'Mitochondrial Dysfunction in Sepsis'; in collaboration with Prof. Mervyn Singer. Please also refer to the website www.esicm.org
