This Fair Processing Notice / Privacy Notice is intended for Clients of Medicolegal Partners and will cover:

- What is your Personal Data?
- What information is being collected?
- Who is collecting it?
- Why is it being collected and how will it be used?
- Who will it be shared with?
- How long do we keep your Personal Data for?
- What are your privacy rights?
- Do we transfer your data outside of the UK?

We are happy to answer your questions. Our contact details can be found at the end of this notice.

WHAT IS YOUR PERSONAL DATA?

Personal data relates to a living individual who can be identified using elements from that data, either as an individual item or in combination with other elements.

WHAT INFORMATION IS BEING COLLECTED?

We hold the following information:

<i>Identification</i>	Name, Date of Birth, Gender, Photo ID, Marital Status
<i>Contact</i>	Address, Phone Numbers, Email Address
<i>Other</i>	Medical Condition, Medical History, Psychological History, Employment History, Medical Expert Reports, Hospital Records/Reports, Photos (head shots, full body and/or injury pictures), Audio and Video evidence

WHO IS COLLECTING IT?

We are collecting your Personal Data:

- Directly from you
- From case files supplied by your Solicitor
- From our Medical Experts
- From other Medical Experts, Medical Practitioners or Medical Establishments
- From surveillance sources

WHY IS IT BEING COLLECTED AND HOW WILL IT BE USED?

Your Personal Data is required to write your Medicolegal report and to support your claim or defend a claim. Your Personal Data is processed based on UK GDPR Legal Basis under Article 6:

<i>Contract</i>	Your Personal Data will be used in order to satisfy the contract you have with Medicolegal Partners
<i>Consent</i>	Your health data will be used with your explicit consent
<i>Legitimate interest</i>	We use cloud service and IT providers to provide the storage and applications required for processing your Personal Data and constructing your Medicolegal report/case

We also use an application to monitor employees who work remotely and your data may be captured by this application. Please rest assured that all of our applications have the highest levels of security

Your Special Category Personal Data is processed based on the Article 9 2.f exemption (processing is necessary for the establishment, exercise or defence of legal claims) and Article 9 2 (with your explicit consent).

WHO WILL IT BE SHARED WITH?

We will only share your Personal Data with:

- Your Solicitor
- Medical Experts for the assessment of your condition for your Medicolegal report/case
- Our employees for the construction of your Medicolegal report/case
- Our Medical Experts for arranging an appointment and consultation with you and for the assessment and construction of your Medicolegal report/case
- Cloud Service and IT Providers. We use cloud service and IT providers to provide the storage and applications required for processing your Personal Data and constructing your Medicolegal report/case. We are also using an application to monitor employees who work remotely and your data may be captured by this application

HOW LONG DO WE KEEP YOUR PERSONAL DATA FOR?

We will retain your Personal Data for 7 years after settlement of your case for the purpose of future claims OR we will retain your Personal Data for 10 years after the last activity on your case.

After this, the majority of your Personal Data will be removed, but we will retain enough information to identify you on the reports that we keep.

If any of your data was captured by the remote monitoring application, we will hold it

while the staff member is employed by us and for seven years after leaving our employment, in case of any claims by the former employee.

DO WE TRANSFER YOUR DATA OUTSIDE OF THE EU OR EEA?

We transfer your data to the USA and they are a non-adequate country for data transfer as determined by the EU Commission but don't worry - Dropbox, Google and Activtrak all use Standard Contractual Clauses, which have been drafted by the EU Commission and are a transfer safeguard which protects the transfer of your personal data.
