

Mr Pundrique Sharma

BSc MBBS FRCS (Plast) PhD

Consultant Plastic Surgeon

Mr Pundrique Sharma is a Consultant Plastic Surgeon at the Alder Hey Children's Hospital in Liverpool. He also has a busy private cosmetic practice based in and around the North West. He accepts adult and paediatric instructions for personal injury and medical negligence cases involving general plastic surgery, reconstruction and burns surgery.

His particular areas of expertise include:

- General plastic surgery
- General paediatric plastic surgery
- Burns and scar management
- Upper and lower limb reconstruction
- Limb congenital anomalies
- Nerve injuries including brachial plexus injuries
- Cosmetic surgery including breast, body contouring, abdominoplasty and liposuction

Medicolegal Partners have an experienced team skilled in all aspects of the administration involved in instructions to our various expert medical witnesses. This leaves experts free to utilise their precious time to focus on giving you and your client their medical and medico legal expert advice and support. You, or an agency working with you, can pick up the phone and speak to us any time.

“ It is a pleasure to work with Medicolegal Partners. Their reports are thorough, and they turn around reports in good time. They respond promptly to queries, and understand the litigation process. ”

JB, Capsticks LLP

POSTER PRESENTATIONS

“The Dorsal Intermediate Fascia Flap. A novel technique in Hand Surgery”. Sharma PR, Miyagi K, Din A, Gillespie P Plastic Surgery Congress, (Australia 2015 – International).

“The versatility of the reverse sural neurocutaneous flap for lower limb reconstruction” Wen T, Sharma PR, Bystrzonowski N, El-Muttardi N. (IPRAS, Chile, 2013 – International).

“Audit exploring adequacy of consent forms in patients receiving emergency burns treatment” Ghorbanian S, Sharma PR, Bystrzonowski N, Philp B. (Association of Surgeons in training Conference, 2012 – National)

“Control of programmed cell death during outflow tract septation” Sharma PR, Hueber A-O, Henderson DJ, Anderson RH and Copp AJ. (Institute of Child Health Open Day, London, 2000 – Regional).

“Distribution and clearance of programmed cell death in the developing heart”. Sharma PR, Henderson DJ, Anderson RH and Copp AJ. (British Society for Cardiovascular Research Annual Meeting, London, 2000 – National).

“Programmed cell death in the developing heart”. Sharma PR, Hueber A-O, Henderson DJ, Anderson RH and Copp AJ. (British Society for Developmental Biology Annual Meeting, Warwick, 2000 – National).

“Spatio-temporal distribution of cell death in the developing heart”. Sharma PR, Henderson DJ, Anderson RH and Copp AJ. Programmed Cell Death Meeting, (Cold Spring Harbor Laboratory, New York, 1999 – International).

ORAL PRESENTATIONS

“Peripheral Nerve Repair” Sharma PR (Invited speaker, QMUL microsurgery training course, Naples, 2017 - International).

“A randomised comparison of techniques for neurotaxis for nerve grafting” Sharma PR, Rosich-Medina A, Gillespie P, Skepper J, Swan M, Price RD (Narakas conference, Barcelona, 2016 - International).

“Emergency admissions to PICU following cleft lip and palate surgery” Sharma PR, Watson A, Cunnington P, Kangesu T, (Great Ormond Street Hospital, 2014 – Regional).

“A case of fungal osteomyelitis following an open tibial fracture” Pease N, Sharma PR, Griffiths MA. (Presented at the RSM, London, 2014 – National).

“The versatility of the reverse sural neurocutaneous flap for lower limb reconstruction” Wen T, Sharma PR, Bystrzonowski N, El-Muttardi N. (Presented at IPRAS, Chile, 2013).

“The Surgical Management of Pressure Sores” Mathur B, Sharma PR APSICON conference, India, 2012 – International).

“The Aesthetic Reconstruction of the Breast” Sharma PR, Basu I, Mathur B. (Brasscon, India, 2012 – International).

“The function of cell death in interventricular septal development.” Sharma PR, Hueber A-O, Henderson DJ, Anderson RH and Copp AJ. Invited speaker at the Foetal Medicine Unit, University College Hospital, UK, 2004 (Local).

“Programmed cell death and the development of cardiac septal structures.” Sharma PR, Hueber A-O, Henderson DJ, Anderson RH and Copp AJ. Seminar, Foetal Medicine Unit, University College Hospital, UK, 2002 (Local).

“Programmed cell death and the development of the mammalian interventricular septum”. Sharma PR, Henderson DJ, Anderson RH and Copp AJ. Developmental Biology Seminar Series, Institute of Child Health, UK, 2001 (National).

“Programmed cell death in heart development”. Sharma PR, Hueber A-O, Henderson DJ, Anderson RH

and Copp AJ. (Lecture, British Society of Cardiovascular Research - Annual Meeting, UK, 2001 – National).

“Regulation of programmed cell death during cardiac development”. Sharma PR, Hueber A-O, Henderson DJ, Anderson RH and Copp AJ. (Mammalian Genetics and Development Workshop, Institute of Child Health, UK, 2000 – National).

“Control of programmed cell death during outflow tract septation”. (Sharma PR, Hueber A-O, Henderson DJ, Anderson RH and Copp AJ. CNRS Marseille, France 2000 – International).

“Programmed cell death in the developing heart”. Sharma PR, Hueber AO, Henderson DJ, Anderson RH and Copp AJ. (Developmental Biology Seminar Series, Institute of Child Health, UK 1999 – Regional).
